Summary

I am a dedicated BCA student specializing in Computer Applications, set to graduate in 2026 from MMH Collage Ghaziabad. As a motivated fresher, I am eager to leverage my foundational knowledge and a keen interest in Frontend Developer Computer Applications, if any] to contribute to innovative projects and gain practical experience. My academic journey is focused on developing strong problem-solving skills and a comprehensive understanding of software development principles. I am enthusiastic about embarking on a career in the tech industry and am seeking opportunities to apply my learning and grow professionally.

Experience

Apr 2026 - Jun 2026

Web Developer

Aurosskills.com

As a Web Developer Intern at Aurosskills.com (Internship, 2026-2026), I actively contributed to web development projects, applying my understanding of front-end technologies and problem-solving skills. My role involved assisting in the implementation of user interface features and collaborating with the development team to ensure efficient project execution and learning.
